Terms and Conditions

By signing this contract, you are entering into a legally binding agreement to make the payments set out below. This can only be terminated if a student is no longer on roll at Wydean School.

1, payments must be made by 25th of each month before travel is due, if prior arrangement has not been made with Chepstow classic buses beforehand. If you have not made your payment by the 25th of each month, travel will be denied until full payment has been received by us.

2, payments are non-refundable, if a new lock down is put in place and schools are closed, all payments received will be transferred to the next available month of travel.

3, If your child has to self-isolate the full balance of the month will still be required, a refund will not be provided for any part of the month.

4, if your child is required to shield for a period of time, we will transfer any payments over to the following month, (proof must be sent in to show they have to shield).

5, Face masks must be worn at all times when travelling on one of our buses. (until further notice)

6, Passes must be shown to the driver on entry to the bus for every journey. If a pass is not shown access to the buses will be denied.

7, If a pass is lost or defaced a new one will be required to be purchased at a cost of £5.00 per pass.

8, Friends may not travel on the bus either to or from school.

9, you need to be aware of the following points that all students must observe: The coach driver is in charge of the vehicle in all aspects. They must sit, and only sit, on the seats and behave in a manner that will not cause the driver to be distracted. They must establish courteous and co-operative behaviour with the driver and each other. No student may board the buses until authorised by the driver. All students must remain in their seat until the bus comes to a stop at appropriate points. If vandalism occurs in an area of the bus then the responsibility in the first instance will be with the occupants of that seat. The bus Company will seek recompense from such individuals. If the transport is delayed for any reason once it has left the school with students aboard then the passengers will be instructed by the driver as to the appropriate course of action. If a bus 'breaks down' at a dangerous place then the driver will instruct the students regarding moving to a safer location.

10, Food and drink are no longer allowed to be consumed on our buses.

If you have any questions, or require further information on our terms of travel, please contact Louise on 01291625449/07422939963 or email ccbusspass@hotmail.com

Please sign to agree to our terms and conditions, travel will not be allowed to commence if this has not been signed.
